**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COWGER TREAT	OTP-AM	H-131

LD 856 proposed to authorize the transfer to School Administrative District No. 16 of the Reed Auditorium, certain buildings between the Reed Auditorium and Winthrop Street in Hallowell and sufficient land for a new elementary school. The bill further proposed that following the conveyance of the land and buildings to the district, the district would be eligible to apply for school construction and renovation projects to adapt the buildings to school use.

Committee Amendment "A" (H-131) proposed to strike the original resolve and replace it with language that provides School Administrative District No. 16 an option period in which to negotiate the transfer of a parcel of state-owned property at the Stevens School in Hallowell as the site of a new elementary school. The amendment also proposed that the transfer include the Reed Auditorium at the Stevens School and adjacent buildings. The amendment also proposed that in the event that the State does not transfer the property to the school district, the State would be authorized to offer the land for sale at the appraised market value. This amendment also proposed to extend the repeal date of the resolve from 3 to 5 years and to add a fiscal note to the resolve.
