Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. BENNETT	

Amendments Adopted

LD 849 proposed to prohibit all businesses, organizations, governmental entities and all other entities operating in the State from requesting a person's social security number, unless necessary to disperse social security funds or federal law requires the Federal Government to obtain a person's social security number from the business. This bill proposed to amend the law to prohibit any person who is a sender or receiver of a telephony communication from intentionally or knowingly recording or procuring another person to record the communication without the consent of all parties to the communication. It also proposed to create an exception for calls made to emergency services providers and to clarify current law with respect to an exception provided to law enforcement agencies conducting investigations.
