Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 861 proposed to create the Class D crime of contract theft. The bill proposed that a person commits contract theft when that person enters into a written construction contract and receives the money but then fails to do the work within the time specified by the contract plus 60 days, or if there is no time specified, within 90 days.

LD 868 **An Act to Amend the Laws Governing Reimbursement of Training Costs for Law Enforcement Officers** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LESSARD DAVIS P	ONTP	

LD 868 proposed to change the formula regarding reimbursement of law enforcement officer training costs that a governmental entity must pay to another governmental entity when a law enforcement officer who is a recent graduate of the Maine Criminal Justice Academy changes employers. Current law bases this formula on a percentage of the training costs depending upon when the law enforcement officer graduated. The bill proposed to base this formula on specified dollar amounts depending upon when the law enforcement officer graduated.

The bill proposed to provide that a governmental entity that hires a law enforcement officer who recently graduated from the Maine Criminal Justice Academy while on the payroll of another governmental entity does not have to reimburse that other governmental entity for training costs if that law enforcement officer has not worked as a law enforcement officer for a period of at least one year.
