Re: Bill Summaries, 120th Legislature, 1st Regular Session

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the Joint Standing Committee on Taxation during the 1st Regular Session of the 120th Legislature. The summary describes each bill or order and relevant amendments as well as the final action. Also included is a statistical summary of bill activity by the committee. Please note the effective date for all non-emergency legislation enacted in the 1st Regular Session (unless a later date is specified in a particular law) is September 21, 2001. Joint orders are effective when passed.

The document is organized for convenient reference to information on bills handled by the committee this session. It is organized by bill (LD) number and two indices are located at the back of the document that group bills by subject and by LD number. LD 865 proposed to reduce income tax rates if General Fund revenues for the previous fiscal year exceeded the December 1st projections for that fiscal year by more than 5%. Income tax rates would be reduced by the proportion by which General Fund revenues exceeded 105% of revenue projections.
