Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 870 proposed to establish the Commission to Study the Laws Governing the Sentencing of a Person Convicted of a Crime Involving a Child.

Committee Amendment "A" (H-263) replaced the resolve and proposed to establish the Commission to Study the Laws Governing the Sentencing of a Person Convicted of a Crime Involving a Child, the duties of which include: conducting a comprehensive review of Maine's laws and other states' laws pertaining to penalties imposed for crimes against children; reviewing sentencing practices and patterns for crimes against children in this State, paying particular attention to sex offenses and murder and manslaughter cases; and evaluating the effectiveness and proportionality of those penalties and sentences and the need, if any, for the State to modify its current sentencing guidelines for crimes committed against children. The amendment proposed that the commission shall deliver its report and any proposed legislation to the Second Regular Session of the 120th Legislature. It also proposed to add an appropriation section and a fiscal note to the resolve.

LD 870 as amended by Committee Amendment "A" was not removed by the Senate from the Special Appropriations Table and died on adjournment.
