**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 940 proposed to increase resident and nonresident snowmobile registration rates by \$5 and dedicate that amount to a special fund administered by the Off-Road Recreational Vehicle Division of the Department of Conservation, Bureau of Parks and Lands to assist any entity that has a snowmobile trail grooming contract with the bureau in the purchase of trail grooming equipment. Exempt from this increase would be any snowmobile registered as an antique under the Maine Revised Statutes, Title 12, section 7824, subsection 2-B.
