**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Legal and Veterans' Affairs

**House Amendment "F" (H-709)**, which was not adopted, proposed to replace the bill. Under this amendment:

1. The provisions of the bill increasing the length of term limits for constitutional officers and the State Auditor would have been eliminated;
2. The provisions of the bill extending the limit on terms for state Legislators would have been retained. This amendment proposed to clarify that the increase in term limits from 4 to 6 terms applies to consecutive terms for state Senators and members of the state House of Representatives regardless of when their first term began. Under this amendment members of the 120th Legislature would serve a total of 6 terms, regardless of when elected; and
3. The referendum question would have been amended to apply only to state Legislators.

LD 926 proposed to amend the law governing the direct initiative of legislation to require that petitions contain a description of the proposal and statements setting out the environmental and economic impacts. The bill also proposed to require the Secretary of State to give notice to the public to allow input on the wording of the ballot question.
