Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

MCALEVEY MCNEIL	ONTP	

LD 935 proposed to specify that the court shall sentence persons convicted of gross sexual assault to the following minimum periods of imprisonment: if the victim was less than 7 years of age at the time of the offense, a minimum of 20 years; if the victim was more than 7 years of age but less than 14 years of age at the time of the offense, a minimum of 15 years; or if the victim was more than 14 years of age but less than 18 years of age at the time of the offense, a minimum of 10 years. The bill also would have specified that an offense of gross sexual assault in which the victim was less than 18 years of age at the time of the offense could not be charged as a lesser crime, but must be charged as a violation of the Maine Revised Statutes, Title 17-A, section 253. The court could not suspend any part of the term of imprisonment sentenced for a person convicted of gross sexual assault against a person who was under 18 years of age at the time of the offense.
