120th Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 943

An Act to Ensure that the Annual Inflation Adjustment for Partial Compensation for Injuries occurring Prior to November 20, 1987 is Fully Recognized and Paid PUBLIC 390

Sponsor(s)	Committee Report		Amendments Adopted
DUPLESSIE	OTP-AM	MAJ	Н-616
MILLS	ONTP	MIN	

LD 943 proposed to require the Workers' Compensation Board to audit claims for partial incapacity for workers injured prior to November 20, 1987, to ensure that the annual adjustments required under former Title 39, sections 55 and 55-A have been made.

Committee Amendment "A" (H-616) proposed to replace the bill. Rather than requiring that the Workers' Compensation Board audit insurers to ensure compliance with the law requiring annual adjustment of benefits for injuries prior to November 20, 1987, the amendment clarifies how the adjustment is to be calculated.

Enacted law summary

Workers' compensation benefits payable to employees injured prior to November 20, 1987 must be adjusted for inflation, under the provisions of former Title 39, sections 55 and 55-A. Public Law 2001, chapter 390 clarifies how the adjustment is to be calculated and overturns the decision of the Maine Supreme Judicial Court on this issue in <u>Bernard v. Mead Publishing Paper Division</u>, 2001 ME 15. Chapter 390 requires that the pre-injury wage be adjusted for inflation before being compared to the post-injury wage.
