**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act to Waive Immunization Requirements for Students Participating in Distance Programs

PUBLIC 87

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |

| ANDREWS LEMONT | OTP-AM | H-192 |

LD 967 proposed to provide an exemption to the immunization laws for students who enroll in distance education programs offered by colleges, universities, technical colleges and schools for the health professions. This exemption would apply only in cases in which the student does not attend any classes or programs at a campus in the State.

Committee Amendment "A" (H-192) proposed to strike and replace the bill to clarify that the exemption to the immunization requirements for postsecondary education students applies only to students who are enrolled in a distance education program at a postsecondary educational institution in the State and who do not physically attend any classes or programs at an institution facility, including a campus, center or site affiliated with that institution or any other postsecondary educational institution in the State.
