**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Banking and Insurance

Committee Amendment "A" was adopted in the House, but, because the bill had a fiscal impact, LD 915 was placed on the Special Appropriations Table in the Senate pending enactment. At the end of the session, LD 915 was recommitted to the Joint Standing Committee on Appropriations and Financial Affairs and has been carried over to Second Regular Session.

The bill also proposed to designate that such rules are major substantive rules subject to legislative review before final adoption.

The amendment also added an emergency preamble and emergency clause to the bill.
