Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1092

An Act to Prohibit Negative Option Sales Without a Consumer's Express Agreement

PUBLIC 210

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHOREY RICHARDSON	OTP-AM	S-106

LD 1092 proposed to prohibit so-called "negative option sales" to prohibit a merchant from charging a consumer for a good or service after a trial period unless the consumer expressly agrees to be charged for the good or service if the consumer does not affirmatively cancel the sale. A violation would be an unfair and deceptive act.

Committee Amendment "A" (S-106) proposed to limit the applicability of this section to sales agreed to by telephone and allows a merchant to provide a written description of the agreement within 10 days of charging the consumer if the services or goods are physically delivered to the consumer on at least a weekly basis. The amendment also proposed to require the merchant to provide the consumer with the calendar date the consumer will be charged for the goods or services.

Enacted law summary

Public Law 2001, chapter 210 prohibits a merchant from charging a consumer for goods or services agreed to by telephone after the trial period without the expressed agreement of the consumer to be charged for those goods or services if the consumer did not cancel the sale during the trial period. This Public Law also provides that at least 15 days prior to any charge, or 10 days prior to charging the consumer if the services or goods are physically delivered to the consumer on at least a weekly basis, the merchant must provide the consumer with a detailed written description of the sales agreement including the process by which the consumer can cancel the agreement, and the calendar date when the consumer will be charged for the sale unless the consumer cancels the sale.

This Public Law was amended by the Errors Bill (LD 30), sections E-1 and E-2. The amended law strikes a requirement in chapter 210 that the merchant provide the consumer a written description of the good or service for which the consumer will be charged on a weekly or more frequent basis within 10 days of the good or service being physically delivered to the consumer. The Errors Bill also establishes limitations on the application of Title 10, Maine Revised Statutes, section 1210.
