Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEMOINE GAGNON	ONTP	

LD 1035 proposed to authorize municipalities and unincorporated places to require from an applicant for a liquor license proof of liquor liability insurance with minimum coverage of \$50,000 before approval of an application for a liquor license is granted. The bill would have required the insurance policy to include a provision that would require the insurer to notify the municipality or unincorporated place of a lapse in coverage. Any lapse in coverage would result in automatic revocation of a liquor license. If the licensee could show proof of new insurance or give good cause as to the reason for the lapse, the revocation would be withdrawn.
