Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. Amendments Adopted

LD 1119 proposed to give judges discretion to remove firearms from a person's possession when the person was the subject of a temporary protection from abuse order. The bill also would have prohibited the issuance of a concealed firearms permit to a person who was the subject of a protective order and specified that the person could not apply to receive a concealed firearms permit until at least 2 years after the person was no longer the subject of the protective order. If a concealed firearms permit holder became the subject of a protective order, that person's permit would be revoked. That person could not reapply for a permit for at least 2 years after the person was no longer the subject of the protective order.

Committee Amendment "A" (H-469) replaced the bill and was the majority report of the Joint Standing Committee on Criminal Justice. The amendment proposed to give the court authority to prohibit a person who was the subject of a temporary protection from abuse order from possessing a firearm or other dangerous weapon for the duration of the order, if the court determined that the defendant had a history of violence. The amendment also proposed to add a fiscal note. This amendment was not adopted.

Senate Amendment "A" to Committee Amendment "A" (S-243) proposed to give the court authority to prohibit a person who was the subject of a temporary protection from abuse order from possessing a firearm or other dangerous weapon for the duration of the order if the defendant had a record of violent behavior or had threatened to use a dangerous weapon against the plaintiff or a member of the plaintiff's household. This amendment was not adopted.
