Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1130	An Act to Provide for a Minimum Sentence and Limit the Use of Plea Bargaining in the Death of a Child 6 Years of Age or Younger	ONTP

---------------------------	---------------------------------	---------------------------

LD 1130 proposed to specify that for the crime of manslaughter, if the victim of the crime was a child who had not in fact attained 6 years of age at the time the crime was committed, the court would have had to impose a sentencing alternative involving a term of imprisonment of at least 25 years, none of which could have been suspended. Current law provides a minimum term of imprisonment of 25 years for a person convicted of murder. This bill proposed that a person convicted of manslaughter of a victim less than 6 years of age would have also received a term of imprisonment of at least 25 years.
