**Summary Of Legislation Before The Joint Standing Committees  
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 1188 proposed to require Hospital Administrative District No. 1 to pay its bonds, notes and indebtedness in the order that they were incurred and to establish for each bond, note or other indebtedness the municipalities that were members of the district at the time the bond, note or other indebtedness was incurred. This bill proposed to allow a municipality to withdraw from the hospital administrative district and, in the event the district was required to issue an assessment for the levy of taxes, hold the municipality responsible for bonds, notes or other indebtedness incurred while the municipality was a member of the district. LD 1188 would apply only to Hospital Administrative District No. 1.
