Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on State and Local Government

LD 1177 **An Act to Amend the Laws Governing Election of Somerset County Commissioners** **ONTP**

<u>Sponsor(s)</u> MCGLOCKLIN		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
---------------------------------	--	---------------------------------	--	---------------------------

LD 1177 proposed to amend the current laws governing the election of Somerset County commissioners to permit all of the voters in the county, regardless of the commissioner district in which they reside, to vote for each member of the county commission. Although all eligible voters of the county would be allowed to vote for each commissioner candidate under the bill, the bill would not have dissolved the 3 existing county commissioner districts. Commissioner candidates also would still be required to reside in their respective commissioner districts.

LD 1218 **An Act to Amend the Calculation for Annual County Tax Assessments** **CARRIED OVER**

<u>Sponsor(s)</u> DORR		<u>Committee Report</u>		<u>Amendments Adopted</u>
---------------------------	--	-------------------------	--	---------------------------

LD 1218 proposed to require that when county commissioners in each county apportion the annual county tax that they calculate and assess the cost of non-contracted rural sheriff patrol services in proportion to which those services are provided to each municipality and unorganized territory in that county. The bill would provide additional statutory authority to allow counties and municipalities to discuss and develop funding formulas for the assessment of sheriff patrol costs. The Joint Standing Committee on State and Local Government voted to carry over the bill to the Second Regular Session of the 120th Legislature.

LD 1220 **An Act to Require Notice of Use Changes for State Property** **ONTP**

<u>Sponsor(s)</u> TRAHAN MILLS		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
--------------------------------------	--	---------------------------------	--	---------------------------

LD 1220 proposed that an agency of the State be required to publish a 30-day notice when it intends to change all or part of its use of any real property owned by the State or subject to a long-term lease or right-of-way claim by the State. Under the bill, if 25 or more residents petitioned the agency during the notice period, the change would have been prohibited unless the Legislature approved the change by law.
