Joint Standing Committee on State and Local Government

Committee Amendment "A" (H-790) replaced the bill and proposed to amend the State Government Evaluation Act to provide that agencies undergoing legislative review pursuant to that act must submit to the committee conducting the review a list of the various filings by the public that the agency requires. The amendment also proposed that, in conducting its analysis and developing its recommendations, a legislative committee may consider the extent to which an agency has increased or decreased filing requirements and paperwork duplication burdens on the public. It also proposed to add a fiscal note to the bill.
