Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Judiciary

LD 1204 proposed to prohibit abortions of pregnancies that have progressed at least 20 weeks since the pregnant woman's last menstrual period. It proposed to require the pregnant woman's physician to carefully determine the age of the fetus and request the opinion of a 2nd physician if necessary. If the pregnant woman had a life-threatening physical condition if the pregnancy progressed and the fetus was at least 20 weeks old, the physician could either induce labor or perform a caesarean to deliver the baby. A 2nd physician would be notified to attend the delivery and take medical care of the baby.

The bill proposed that a physician who knowingly performs an abortion when the fetus is at least 20 weeks old would commit a Class D crime.
