First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Public Law 2001, chapter 309 requires the Commissioner of Public Safety to provide flag holders and Maine flags for the gravesites of the officers listed on the law enforcement memorial, located in the State Capitol complex memorial site, if the gravesites can be reasonably found. It establishes the Flags For Public Servants Fund, to fund the costs of providing the flags and flag holders and it also requires that this fund be the sole revenue source for the flag and flag holder purchases. Public Law 2001, chapter 309 also requires that the agency that represented the slain officer place the flag holder and flag at the gravesite.

Current law states that a party is eligible to nominate a candidate in an election if, among other things, the party's candidate for Governor or President received at least 5% of the total vote cast in one of the 2 preceding general elections. Current law also states that a party may nominate a candidate if the party, among other things, files a petition signed by the number of citizens equal to 5% of the total vote cast for Governor in one of the 2 preceding gubernatorial elections. LD 1228 proposed to lower those thresholds from 5% to one percent.
