Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act to Make the Unemployment Insurance Program More Responsive to the Needs of Today's Workforce

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MATTHEWS EDMONDS		

LD 1258 proposed to amend the unemployment compensation laws in 3 ways. It proposed to provide coverage for part-time workers, to prevent a person from being disqualified if the person left a job because of the lack of dependent care or transportation, and repeal a provision that disregards work performed in seasonal industries when determining eligibility for unemployment benefits during the off-season.

Committee Amendment "A" (H-650) proposed to delete all provisions of the bill except those providing eligibility for part-time workers. The amendment proposed to change the part-time worker provisions to state that the circumstances under which a part-time worker is not made ineligible for benefits, notwithstanding the general requirement that persons be able and available for full-time work.

LD 1258 has been carried over to the Second Regular Session.
