Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. LD 1265 proposed to amend the criminal extradition laws by requiring a judge to inform the person arrested of the person's right to waive extradition. The bill proposed to specify that once the person is arrested that the person must be taken before a judge in accordance with Maine Rules of Criminal Procedure, Rule 5. Rule 5 requires that once the person is arrested, the person must be brought before a judge within 48 hours after arrest.

LD 1283 proposed to amend the criminal terrorizing statutes to make it a Class D crime to unlawfully elicit fear in a person by threatening to abuse an animal, except if the person to whom the threat was communicated was a minor, in which case the crime would be a Class C crime. This bill also proposed to create the Class B or C crime of bestiality. In addition to the penalties authorized for Class B and C crimes, a person convicted of bestiality would have been ordered to pay a fine up to \$10,000, to seek counseling and to not own or work with animals for a specified time or permanently.

Committee Amendment "A" (S-170) replaced the bill. The amendment proposed to amend criminal animal cruelty laws to include the act of committing bestiality. The amendment also proposed to add a fiscal note.
