Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Natural Resources

House Amendment "C" to Committee Amendment "A" (H-563) proposed to incorporate House Amendment "B" to Committee Amendment "A" with 2 exceptions. It eliminated the emergency preamble and emergency clause and it added a retroactivity section to the bill.

Enacted law summary

Public Law 2001, chapter 359 amends the subdivision law. It amends the definition of subdivision. It also provides that a municipality may not enact an ordinance that expands the definition of subdivision except as provided in the law and it repeals this provision as of October 1, 2002. Chapter 359 also requires the State Planning Office to study the status of municipal subdivision ordinances and to report to the Joint Standing Committee on Natural Resources before December 15, 2001. The joint standing committee is authorized to submit legislation to the Second Regular Session of the 120th Legislature based on that study. Chapter 359 applies retroactively to June 1, 2001.
