### 120th Legislature First Regular Session

# Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

### **Joint Standing Committee on Labor**

#### LD 1326 An Act to Support Continued Operation of the Workers' **Compensation Board**

**ONTP** 

Sponsor(s)	Committee Report	Amendments Adopted
MATTHEWS	ONTP	_
<b>EDMONDS</b>		

LD 1326 proposed to create automatic adjustments to the cap on the Workers' Compensation Board assessment. The cap on the Board's "All Other" budget would increase by an amount equivalent to the inflation factor set by the Revenue Forecasting Committee and the Board's "Personal Services" budget would increase by an amount equal to increases in employee salaries and benefits.

LD 1332

#### An Act to Improve Retirement Benefits for Marine Patrol Officers

**ONTP** 

Sponsor(s)	Committee Report	Amendments Adopted
ETNIER	ONTP	_
GOLDTHWAIT		

LD 1332 proposed to remove from the 1998 Special Plan and establish a new special retirement plan for marine patrol officers that provides full retirement benefits after 25 years of service with no minimum retirement age requirement. The special plan would apply to all newly hired marine patrol officers and would be retroactive for current officers.

See similar bills, LDs 1436, 1468 and 1584.

The majority report of the Labor Committee on LD 1584 combined this bill with that LD providing the same special retirement plan for Game Wardens. LD 1584 was folded into the Part II budget bill at the end of the session. The provisions are found in Public Law 2001, chapter 439, Part HHHH. Funding for the special retirement benefits is dependent on the availability of funds in the unappropriated surplus of the General Fund at the end of the current and the next fiscal years.
