**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Public Law 2001, chapter 343 establishes a one-year special assessment to be collected from policyholders of insured fire risks located in the State. This special assessment is designed to provide operating revenues for the Office of the State Fire Marshal for fiscal year 2002. The law also increases certain inspection and permit fees collected by the Office of the State Fire Marshal to more accurately reflect the costs associated with those inspections and permits.

Public Law 2001, chapter 343 was enacted as an emergency measure effective June 1, 2001.

Public Law 2001, chapter 343 creates a new tax but originated incorrectly in the Senate as LD 1362. Public Law 2001, chapter 437, which was LD 1825, An Act Providing Funding for the Office of State Fire Marshal and to Increase Certain Fire Inspection Fees, repealed and replaced Public Law 2001, chapter 343.

LD 1368 proposed to allow a law enforcement officer who arrests a person for operating a motor vehicle while under the influence of alcohol or drugs to detain that operator for a period of time until the operator is no longer a danger to that operator or to others. The bill proposed that the operator could be released if there was a passenger in the vehicle who was licensed to drive and not intoxicated or if another person who was licensed to drive and not intoxicated picked the operator up from the jail.
