Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Public Law 2001, chapter 237 requires the Commission on Governmental Ethics and Election Practices to keep requests for investigations regarding campaign reports and finances confidential when filed within 10 days of an election. Such a request must be held confidential until the commission makes a final determination on the request.

LD 1373

An Act to Amend the Laws Governing Lobbyists and the Laws Administered by the Commission on Governmental Ethics and Election Practices

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CANAVAN	ONTP	

LD 1373 proposed to remove old language and would have removed language that states that the Commission on Governmental Ethics and Election Practices has the responsibility to investigate and make findings on contested elections. This bill also proposed to provide that funds from the Maine Clean Election Fund and other sources that could benefit from the commission's acquisition and use of an electronic data collection and disclosure system be used to provide for enhanced monitoring and enforcement of election practices and to support instituting electronic submission of reports. The definition of "income" would have been amended by this bill to exclude alimony and legally reported campaign contributions. The definition of "lobbying" would also have been amended to include the time spent waiting to meet with the Governor, a Legislator or a legislative committee on behalf of the lobbyist's employer, and the lobbyist would have been required to report this time to the Commission on Governmental Ethics and Election Practices. Finally, the bill proposed to prohibit a lobbyist from offering a contribution to the Governor, a Legislator, a constitutional officer or their staff during any time the Legislature is convened.
