Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Education and Cultural Affairs

Committee Amendment "A" (S-195) was the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment proposed to strike and replace the bill with an appropriation to the General Purpose Aid for Local Schools program in the Department of Education so that additional funding could be allocated to the geographic isolation adjustment to the school funding formula above and beyond the funds already included in the current services budget for fiscal year 2001-02 and fiscal year 2002-03. The amendment also proposed to replace the emergency preamble and the emergency clause and further proposed to add a fiscal note to the bill. (Not adopted)

The substance of this bill and the committee amendment were addressed in the Part II budget (see P.L. 2001, c. 439, Part DDDD). Additional General Fund appropriations of \$75,000 for fiscal year 2001-02 and \$100,000 for fiscal year 2002-03 were included as supplemental allocations for the geographic isolation adjustment to the school funding formula.
