**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

PUBLIC 250

<u>Sponsor(s)</u> LONGLEY		<u>Committee Report</u> OTP		<u>Amendments Adopted</u>
------------------------------	--	--------------------------------	--	---------------------------

LD 1376 proposed to implement the recommendations of the Study Group to the State Library Committee. The bill proposed to repeal the current 4-tier system under which libraries received differing levels of resources and to replace it with a list of 17 locations at which libraries must be located. It proposed to establish regional library centers to require representation from less populous counties and to require the County Law Library Committees, in conjunction with the State Court Library Committee, to establish local operating policies.

Enacted law summary

Public Law 2001, chapter 250 implements the recommendations of the Study Group to the State Court Library Committee. It repeals the current 4-tier system under which libraries received differing levels of resources and replaces it with a list of 17 locations at which law libraries must be located. It establishes Portland and Bangor as regional law library centers with additional resources, and provides equal resources for the other libraries. Chapter 250 requires that one of the four attorney members on the State Court Library Committee be chosen from a county having a census population of from 45,000 to 120,000 and that one be chosen from a county having a census population of less than 45,000 persons. It also adds Kennebec County to the list of available law library locations and requires all County Law Library Committees, in conjunction with the State Court Library Committee, to establish local operating policies.

LD 1391

Medical or Surgical Facilities

ONTP

-------------------------------	--	---	--	---------------------------

LD 1391 proposed to define facilities, other than hospitals, in which abortions are performed as ambulatory surgical facilities, thus subjecting the facilities to the licensing and inspection requirements and standards applicable to such facilities.

Committee Amendment "A" (H-233) was the minority report of the Joint Standing Committee on Judiciary. It proposed to add a fiscal note to the bill. (Not adopted)
