Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. Joint Standing Committee on Labor

specify how the reimbursement process will operate, and clarify the assessment process. The amendment also proposed to require the Oversight Committee to submit a report to the Joint Standing Committee on Labor by February 1, 2002 discussing implementation of the law and making any necessary recommendations for improvements. The Joint Standing Committee on Labor would be authorized to report out legislation to the Second Regular Session in response to the report.

Enacted law summary

Public Law 2001, chapter 448 transfers responsibility for reimbursing insurers and self-insurers for benefit extension payments from the Employment Rehabilitation Fund to a new fund called the "Supplemental Benefits Fund." The Supplemental Benefits Fund is funded by an assessment on insurers and self-insurers and is administered by the Supplemental Benefits Oversight Committee, a 5-member board appointed by the Governor. The Committee may delegate day-to-day administration of the Fund, and committee powers regarding reimbursement requests and assessments, to a service agent. The Committee, the Fund and the service agent do not participate in Workers' Compensation Board proceedings that determine the level or duration of benefits payable to an employee. The Committee and the service agent determine only whether insurers and self-insurers are eligible for reimbursement from the Fund for payments they made as a result of (1) the increase in the duration limit on partial incapacity benefits for injuries between January 1, 1993 and December 31, 1997; and (2) the lowering of the threshold for lifetime benefits from 15% to 11.8% for injuries between January 1, 1993 and December 31, 1999. Payments for injuries after those dates are not reimbursable from the Fund.

Amendments Adopted

LD 1436 proposed to establish a special retirement plan for game wardens, marine patrol officers, prison guards and certain other correctional employees. As proposed, the plan would offer retirement with full benefits after 25 years of service with no minimum retirement age requirement. The plan would apply to all newly hired employees in the named categories and would be retroactive to the date of hire for game wardens, marine patrol officers and Maine State Prison guards. For prison guards at other correctional facilities and for certain other state correctional employees, it would be retroactive to January 1, 2000 when those employees were first eligible for special retirement benefits under the 1998 special retirement plan. The bill also proposed to remove the named categories of employees from the 1998 special retirement plan.
