**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

# Joint Standing Committee on Agriculture, Conservation and Forestry

**LD 1458**                      **An Act Regarding Forest Sustainability**                      **ONTP**

<u>Sponsor(s)</u> HAWES		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 1458 proposed preventing a landowner of 1,000 acres or more of forest land from cutting more of a species in a year than that species had regenerated in a year and allowing a landowner to bank any uncut species allowed to be cut in that year to be cut in future years. It proposed requiring the Department of Conservation to adopt major substantive rules to determine established growth and to implement a banking system.

**LD 1459**                      **An Act to Regulate Clear-cutting**                      **ONTP**

<u>Sponsor(s)</u> HAWES		<u>Committee Report</u> ONTP      MAJ OTP-AM    MIN		<u>Amendments Adopted</u>
----------------------------	--	---	--	---------------------------

LD 1459 proposed requiring a permit for a clear-cut of more than 5 acres, with the applicant showing that the clear-cut would not cause environmental damage, that there was no reasonable alternative and that the clear-cut could be silviculturally justified.
