**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> BUCK GAGNON	<u>Committee Report</u> OTP	<u>Amendments Adopted</u> S-196 EDMONDS
-------------------------------------	--------------------------------	--

LD 1461 proposed to provide that if a Legislator covered by the state-paid group health insurance plan terminated legislative service with at least 8 years of creditable service in the Maine Legislative Retirement System but did not retire at that time, the Legislator could elected to continue coverage under the group plan by paying the premium until retiring. Whether or not the Legislator exercised the option, that Legislator could elect at retirement to rejoin the group plan and to have the State pay the health insurance premiums.

The benefit would be paid from the Maine Rainy Day Fund rather than from the State Contingent Account as proposed in the committee amendment.
