**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Criminal Justice

LD 1462 proposed to create the Criminal Code Revision Commission, the duties of which include reviewing all provisions of the Maine Criminal Code, Juvenile Code and Maine Bail Code and drafting proposed legislation that repeals or amends archaic language and repeals crimes that are redundant or covered by existing general provisions. The resolve proposed that the commission shall deliver its report and any proposed legislation to the First Regular Session of the 121st Legislature.

Committee Amendment "A" (H-261) proposed to add language specifying the authority of the commission chairs to manage the commission's budget. In addition, this amendment proposed to add an appropriation section and a fiscal note to the resolve.

LD 1462 as amended by Committee Amendment "A" was not removed by the Senate from the Special Appropriations Table and died on adjournment.

LD 1470 proposed to direct that 1/6 of the Government Operations Surcharge Fund, which consists of a surcharge added to every court-imposed fine, forfeiture or penalty in this State, be paid to the Attorney General for use by the Maine Computer Crimes Task Force.

Instead of enacting LD 1470 (or LD 1508, An Act to Place a 2% Surcharge on all Criminal and Traffic Fines to Fund the Efforts of the Maine Computer Crimes Task Force), the committee voted out a committee bill, LD 1800, An Act to Enhance the Enforcement and Prosecution of Computer Crimes Through Support of the Maine Computer Crimes Task Force.

LD 1491 proposed to increase to 18 years of age the threshold before which certain specified actions are crimes and impose mandatory minimum sentences of incarceration and probation. The bill also proposed to require a person convicted of: possession of sexually explicit materials; gross sexual assault; sexual abuse of a minor; unlawful sexual contact; visual sexual aggression against a child; sexual misconduct with a child under 14 years of age; and solicitation of a child by computer to commit a prohibited act to register under the Sex Offender Registration and Notification Act and pay restitution to the victim, if the victim could be determined. This bill also would have required the court to suspend the driver's license of a person who failed to make restitution and would have imposed
