First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Banking and Insurance

LD 1490

Resolve, to Establish the Commission to Develop and Finance Health Care Coverage for All Maine People

DIED BETWEEN BODIES

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
O'NEIL	OTP-AM MAJ ONTP MIN	

LD 1490 proposed to establish the Commission to Develop and Finance Health Care Coverage for All Maine People.

Committee Amendment "A" (H-329) was the majority report of the committee. The amendment proposed to add 2 members to the commission: a member representing health maintenance organizations and health plans and a member representing small employers with fewer than 50 employees. The amendment would delete the reference to rural health centers and replace it with the correct reference to community health centers. The amendment also proposed to clarify that the duties of the commission include addressing ways to alleviate the burden of increasing costs on employers, particularly small employers. The amendment also added an appropriation section and a fiscal note to the bill.

LD 1490 died between the bodies in non-concurrence; the House moved for a committee of conference and the Senate indefinitely postponed the bill. However, a study of options for developing and financing universal access to health care, including a single payor system, was authorized in the Part II budget, Public Law 2001, chapter 439, Part ZZZ.
