August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. PUBLIC 461

MILLS	OTP-AM MAJ ONTP MIN	S-228 S-395 GOLDTHWAIT

LD 1544 proposed to establish a harness racing lottery game and Harness Racing Purse Fund to improve harness racing purses. This bill also proposed to define illegal gambling machines and provide that illegal gambling machines and their monetary contents are subject to seizure and forfeiture in both civil and criminal proceedings. As proposed by this bill, seizure may be pursuant to court process or without process if the seizure is incident to a search that is in conformity with constitutional requirements governing searches and seizures.

Committee Amendment "A" (S-228) clarified the definition of "illegal gambling machine" to exclude machines operated by the Bureau of Alcoholic Beverages and Lottery Operations within the Department of Administrative and Financial Services. It also added an allocation section and a fiscal note to the bill.

Senate Amendment "A" to Committee Amendment "A" (S-395) removed the language that proposed to establish the Harness Racing Purse Fund. It struck the language that proposed to require the State Harness Racing Commission to develop and initiate a harness racing lottery game. It struck the language that proposed to allow the Maine State Lottery Commission to appropriate funds to the Harness Racing Purse Fund from the State Lottery Fund and strikes the allocation section.
