120th Legislature
Second Regular Session

Summary Of Legislation Before The Joint Standing Committees
May 2002

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1586

An Act to Separate Territory from the Town of Falmouth and Annex it to the City of Portland

**P & S 62
EMERGENCY**

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|---------------------|-------------------------|---------------------------|
| ABROMSON DAVIS G | OTP-AM | S-416 |

LD 1586 proposed to separate a parcel of property from the Town of Falmouth and annex it to the City of Portland. The property is located on the southerly side of the Maine Turnpike spur that connects the turnpike with Route 1 in the Town of Falmouth. It abuts other property under the same ownership in the City of Portland. The turnpike spur acts as a substantial barrier to municipal services like sewer lines, water lines and roads from the Town of Falmouth. This bill was carried over from the First Regular Session.

Committee Amendment "A" (S-416) proposed to amend the original bill by adding a more precise description of the territory to be separated from the Town of Falmouth and annexed to the City of Portland by this legislation. It also proposed to add an emergency preamble, an emergency clause and a fiscal note to the bill.

Enacted law summary

Private and Special Law 2001, chapter 62 separates a parcel of property from the Town of Falmouth and annexes it to the City of Portland. LD 1678

RESOLUTION, Proposing an Amendment to the Constitution of Maine to Establish the Legislative Compensation Commission

ONTP

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |

| SAXL MARTIN | ONTP | |

LD 1678 proposed to establish a Legislative Compensation Commission to review the current levels of compensation provided to Maine Legislators. This bill proposed that the Governor appoint the 5 members of the commission, with at least one from each of the 2 major political parties. This bill also proposed that no member of the commission could be a Legislator, lobbyist or lobbyist employer at the time of the appointment. Under this proposed bill, the commission's recommendations would have automatically taken effect for the next legislative session unless the Legislature enacted legislation specifically overriding the commission's recommendations. This bill was carried over from the First Regular Session.
