**Summary Of Legislation Before The Joint Standing Committees**  
**May 2002**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Judiciary

**Committee Amendment "A" (H-851)**, in addition to other changes, proposed to set out specific rules for allocating income from harvesting timber.

This amendment proposed to include Maine Comments to explain deviations from NUPIA.

### *Enacted law summary*

Public Law 2001, chapter 544 enacts the Uniform Principal and Income Act of 1997, adopted by the National Conference of Commissioners on Uniform State Laws in 1997. It provides rules for handling trust principal, income, receipts and disbursements. The Act takes effect January 1, 2003, and it applies to trusts and decedent's estates starting with the first fiscal year of the trust or decedent's estate that begins on or after January 1, 2003, unless the terms of the trust or will expressly provide otherwise.

LD 1624 proposed to provide an additional child support collection tool for the Department of Human Services. It proposed to require that employers who hire persons on a contract basis for \$2,500 or more report the names, addresses and social security numbers to the Department of Human Services.

In addition, the bill proposed to require that increases in collections of debt owed the department and not owed to anyone else over \$7,406,560 must be used to increase TANF and Parents as Scholars Program cash assistance levels until Maine's maximum level for a family of 3 reaches the New England average.

**Committee Amendment "A" (H-830)**, the minority report of the Joint Standing Committee on Judiciary, proposed to replace the bill. It proposed to require the reporting of the hiring of independent contractors to the Department of Human Services in order to locate people who should be paying child support and to verify their ability to pay. Those required to report would be the State and any employer who contracts with the State to provide services worth more than \$1,000. (Not adopted)
