Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Banking and Insurance

Manual of Mental Disorders, as periodically revised, and make current statutory definitions consistent. The bill also would include licensed clinical professional counselors in the definition of providers eligible to diagnose and treat mental illness.

As required by Title 24-A Maine Revised Statutes Section 2752, the Joint Standing Committee on Banking and Insurance has requested that a review and evaluation of the proposed mandated health insurance benefit for mental illness included in the bill be completed by the Bureau of Insurance over the interim. LD 1627 has been carried over to the Second Regular Session.

**LD 1630**

**An Act to Permit the Issuance of Certain Types of Consumer Credit Insurance**

**PUBLIC 138**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DOUGLASS SULLIVAN	OTP-AM	S-89

LD 1630 was submitted on behalf of the Department of Professional and Financial Regulation.

LD 1630 proposed to amend the Maine Revised Statutes, Title 24-A, chapter 37 to permit the issuance of additional types of consumer credit insurance. Currently, chapter 37 only permits the issuance of credit life and credit accident and health insurance. This bill would extend the provisions of this chapter to expressly permit the issuance of and clarify the regulation of credit involuntary unemployment insurance and credit property insurance. It also added a new chapter 40-A to Title 24-A that expressly permits the issuance of the following types of property and casualty insurance on a group basis: credit involuntary unemployment insurance, credit property insurance and other types of insurance authorized to be issued on a group basis under rules adopted by the Superintendent of Insurance. Currently, it is unclear whether these types of insurance may be issued on a group basis. This bill would expressly permit the issuance of these products and provide regulatory protections for this insurance. LD 1630 proposed to authorize the superintendent to adopt rules regarding consumer credit insurance including the creation of rating standards and to adopt rules to establish specific requirements for group property and casualty insurance policies and rates. The latter rules may also specify additional types of insurance that may be issued on a group basis.

**Committee Amendment "A" (S-89)** proposed to exempt casualty insurance and debt cancellation agreements from the application of chapter 37 of the Maine Insurance Code. The amendment also removed the reference to approval of rates consistent with current law.

The amendment also added a fiscal note to the bill.

**An Act to Amend the Revised Maine Securities Act**

**PUBLIC 183**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ABROMSON SULLIVAN	OTP-AM	S-88

LD 1637 was submitted on behalf of the Department of Professional and Financial Regulation.

LD 1637 proposed to amend the Revised Maine Securities Act in several respects.

1. Part A of the bill defines "investment adviser representative" and requires investment adviser representatives to be licensed in the same manner as investment advisers. The licensing of investment adviser representatives allows the State to participate in a national investment adviser representative database to track and regulate these individuals for the protection of the public.
2. Part B of the bill clarifies certain ambiguous language in the Revised Maine Securities Act. Part B updates a current securities exemption for companies where information about the company is publicly available through a nationally recognized securities manual. The exemption language proposed is model language recommended by the North American Securities Administrators Association. Part B updates the securities exemptions for certain domestic issuers so that they apply to limited partnerships and limited liability companies organized under the laws of this State or any issuer determined by the securities administrator to have its principal place of business in the State.

**Committee Amendment "A" (S-88)** proposed to clarify that annual fees from license renewals of investment adviser representatives are dedicated revenue to support the activities of the Securities Administrator. The amendment also added an allocation section and a fiscal note to the bill.
