**Summary Of Legislation Before The Joint Standing Committees  
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Education and Cultural Affairs

LD 1595 proposed to establish a loan forgiveness program for Maine residents who are licensed speech-language pathologists who have outstanding Stafford loans incurred while obtaining a master's degree in speech-language pathology and who agree to practice in public schools in the State. A licensed speech-language pathologist who agrees to practice for one academic year in a public school is entitled to forgiveness of a maximum amount of \$10,000 in outstanding Stafford loans for each year the speech-language pathologist continues to practice in that position up to a maximum of 2 years. It also proposed to remove speech pathologists from inclusion in the Educators for Maine Program.

**Committee Amendment "A" (S-284)** proposed to limit the maximum loan repayment amount available to each participant in the program to \$5,000 per year and also proposed to limit the number of eligible persons who can receive such loan repayments to 10 new students per year in each year. The amendment also proposed to add an appropriation section and a fiscal note to the bill.

Amendments Adopted

LD 1606 proposed to limit state aid for special education students to the maximum percentage of subsidizable special education students established annually by the Commissioner of Education for each school administrative unit. ROTUNDO MAILHOT	ONTP	

LD 1636 proposed to rename and expand the scope of the School Revolving Renovation Fund to include small construction projects of 10,000 or fewer square feet to existing schools. The bill also proposed to provide an additional \$30,000,000 to the fund for fiscal year 2001-02.

RICHARD MITCHELL B	OTP-AM	H-523

LD 1644 proposed to delete language contained in the School Finance Act of 1985 relating to superintendents' salaries and subsidy. After the enactment of the School Finance Act of 1995, this language has no longer had any impact on subsidy calculations. This proposed change is a technical change in the School Finance Act of 1985 to reflect the change in subsidy calculations provided for in the School Finance Act of 1995. It also proposed to clarify the audit requirements and to modify the reporting requirements in the Maine Revised Statutes, Title 20-A, section 6051. Proposed changes include: (1) correction of section 1, paragraph E to include applicable provisions of the School Finance Act of 1995; (2) clarification of the requirement that the annual financial report be reconciled with the annual audit report; and (3) modification of the reporting requirements. These proposed clarifications should improve the quality of audits of school administrative units by ensuring appropriate use of funds and providing more flexible reporting requirements that will meet the needs of both the Department of Education and school administrative units. It also should improve the ability of the Department of Education to forecast the cost of school bus fleet replacement, improve the overall condition and safety of the publicly owned school bus fleet and reduce annual fleet maintenance costs. Local school administrative units could benefit by receiving subsidy for school bus lease-purchases under the same rules that govern cash and note purchases.

**Committee Amendment "A" (H-523)** proposed to remove the position of Federal and State Education Program Coordinator, an unclassified major policy influencing position, from the Maine Revised Statutes, Title 5 and Title 20-A since this position has been reclassified as an Education Team Leader and Policy Director, a classified, confidential position.
