August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Amendments Adopted

LD 1656 proposed to divide general purpose aid into its 4 component parts: operating costs, program costs, debt service and direct state costs, formerly called adjustments. The bill proposed to require that all 4 components receive separate default appropriations to take effect if the Legislature failed to appropriate new funds prior to March 31st of each year. The bill would have been effective for the fiscal year that begins July 1, 2002.

The bill contained transition cushions to buffer the change from the Maine Revised Statutes, Title 20-A, chapter 606-A to chapter 607-A over a period of 2 fiscal years. For those school units who would lose subsidy under the law, only 1/2 the loss would be recognized in the first year with the remainder picked up in the 2nd.
