Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCALEVEY POVICH	OTP	H-649 POVICH

LD 1691 proposed to allow the Maine State Police to enter into a compact with the Federal Bureau of Investigation and other party states for the purpose of organizing an electronic information sharing system among the Federal Government and the states to exchange criminal history records for noncriminal justice purposes for dissemination as authorized by federal and state laws.

House Amendment "A" (H-649) proposed to direct the commanding officer to ensure that fingerprints and information obtained for conducting a criminal history record check for noncriminal justice purposes through the interstate identification index system are not retained and are used solely for the purpose of providing a response to the record check. House Amendment "A" proposed to require the commanding officer to report any retention or dissemination of the fingerprints and information to the joint standing committee of the Legislature having jurisdiction over criminal justice matters and to direct that committee to consider renunciation of the compact.

The amendment would have clarified that the submission of fingerprints and descriptive information for criminal history record checks for noncriminal justice purposes would not constitute a criminal history record or the administration of criminal justice.

The amendment proposed to remove the emergency preamble and clause.
