Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. LD 1712 was introduced by the Joint Standing Committee on Education and Cultural Affairs and proposed to implement the recommendations of the Task Force on the Maine Learning Technology Endowment as authorized pursuant to Public Law 1999, chapter 731, Part FFF, section 2. The bill proposed to amend the governance and investment provisions of current law related to the Maine Learning Technology Endowment by providing for the establishment of the Advisory Board of the Maine Learning Technology Endowment and by clarifying the roles and responsibilities of the Commissioner of Education and the Commissioner of Administrative and Financial Services with respect to the Maine Learning Technology Endowment. The bill also proposed to provide a set of guiding principles for the Maine Learning Technology Endowment and proposed to provide that the components of the learning technology plan that were recommended by the task force may be recommended by the Commissioner of Education and the Advisory Board of the Maine Learning Technology Endowment to the Legislature, as appropriate, for implementation of the proposed learning technology plan using proceeds from the endowment beginning in the 2002-03 school year.

Committee Amendment "A" (H-671) was the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment proposed to add an emergency preamble and emergency clause to the bill and proposed to accomplish the following.

1. It clarifies references to the Board of Trustees of the Maine State Retirement System, which may be the entity selected by the Commissioner of Administrative and Financial Services to manage the investment of the endowment fund.
2. It transfers \$20,000,000 of the original amount appropriated to the Maine Learning Technology Endowment fund, plus the interest income earned from the investment of the \$50,000,000 in the endowment fund on August 1, 2001, to the unexpended General Fund appropriations account.

Joint Standing Committee on Education and Cultural Affairs

3. It requires the State to raise a minimum of \$15,000,000 in contributions from nonstate sources by January 8, 2003. Failure of the State to raise these contributions from nonstate sources by this date will result in the removal of the limitation on the use of the endowment principal in implementing the learning technology plan in fiscal year 2002-03 through fiscal year 2005-06.
4. It stipulates that the principal and income of the endowment may not be used to implement the fundraising plan. It allows limited use of the initial principal to ensure timely start-up and implementation of Phase I of the task force plan for grades 7 and 8.
5. It establishes a mechanism to allow donors to redirect their contributions to the endowment if the State fails to raise sufficient contributions by January 8, 2003.
6. It also proposed to add a fiscal note to the bill.

While this amendment was not adopted and the bill was indefinitely postponed, the substance of certain provisions of the bill as amended by the majority report of the committee, was included in the Part 1 budget bill (see P.L. 2001, c. 358 Part II).
