**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Committee Report

Amendments Adopted

LD 1743 proposed to establish a cold case homicide squad within the Department of Public Safety. The bill proposed to terminate the squad on October 30, 2004 unless the squad is continued by the Legislature. The bill proposed to require the Department of Public Safety to provide a report to the joint standing committee of the Legislature having jurisdiction over criminal justice matters by January 1, 2004 evaluating the success of the cold case homicide squad and making recommendations on continuation of the squad. The bill also proposed to include an appropriation and an allocation to fund 3 state police detective positions for the cold case homicide squad.

LD 1743 was not removed by the Senate from the Special Appropriations Table and died on adjournment. However, Public Law 2001, chapter 439 (Part 2 budget) enacted part of LD 1743 that establishes the squad and appropriates funds for one additional State Police Detective position. (See Part XXXX.)

Amendments Adopted

LD 1750 proposed to allow the court to order the surrender of a person's concealed firearms permit if the person is subject to a permanent protection order under the Maine Revised Statutes, Title 19-A, section 4007. The bill proposed that the surrender would be for the duration of the order only, and that the permit would be returned, at the person's request, within 10 days after the expiration of the order. It also proposed to require that the Department of Public Safety, Bureau of State Police apply to the Federal Government for approval to establish state-issued concealed firearms permits as qualifying permits for purposes of bypassing federal background check requirements for firearms transactions.
