Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Part A of this bill proposed to open the 1998 Special Retirement Plan to security officers employed by Capitol Security in the Department of Public Safety and special investigators in the Attorney General's office. Under that existing plan a member qualifies for a service retirement benefit if that worker is at least 55 years of age and has completed at least 10 years of creditable service in a covered capacity. A reduced retirement benefit is available before age 55 if the member has completed at least 25 years of creditable service.

Part B proposed to increase the cap on increases in earnable compensation for purposes of determining average final compensation under the Maine State Retirement System law from 10% over the 3 highest years of earnings to 15% over the 3 highest years of earnings. The annual cap of 5% would remain in place.

Committee Amendment "A" (H-615) proposed to provide retirement benefits under the 1998 special plan for motor vehicle investigators employed by the Department of the Secretary of State, Bureau of Motor Vehicles. The amendment also proposed to eliminate the increase in the 3-year cap on earnable compensation contained in Part B of the bill. Finally, it proposed to add an appropriation section, an allocation section and a fiscal note to the bill.

The bill was adopted in the House but died on the Appropriations Table.
