Second Regular Session

Summary Of Legislation Before The Joint Standing Committees
May 2002

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

Enacted law summary

Public Law 2001, chapter 625 requires the Department of Labor to adopt rules to clarify implementation of the severance pay law. Initial rules must be provisionally adopted as major substantive rules and submitted to the Legislature for review by January 15, 2003.

LD 2006

An Act to Protect Retirement Income

PUBLIC 657

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COLWELL MARTIN	OTP-AM	H-873

LD 2006 proposed to preserve retirement benefits for teachers who serve in the Legislature. Under the bill, any legislator who is a public school teacher or an employee of the Vocational-Technical Institute System and a member of the Maine State Retirement System who takes a leave of absence in order to serve as a legislator may make contributions to the Retirement System on the amount that represents the difference between the salary earned as a legislator and the salary the legislator would have received in the legislator's job as a teacher.

Committee Amendment "A" (H-873) proposed to clarify that the right of a legislator on leave of absence from teaching or from the Maine Technical College System to make additional contributions to the Maine State Retirement System is prospective beginning July 1, 2002. The amendment also proposed to require the State to pay the employer share of contributions on the difference between the legislative salary and the teaching salary of those who elect the option provided in the bill.

Enacted law summary

Public Law 2001, chapter 657 provides that, beginning July 1, 2002, a Legislator who is a public school teacher or an employee of the Vocational-Technical Institute System who takes a leave of absence in order to serve as a Legislator may make contributions to the Maine State Retirement System on the amount that represents the difference between the salary earned as a Legislator and the salary the Legislator would have received in the Legislator's job as a teacher thus preserving a higher level of compensation for purposes of calculating retirement benefits. The law also requires the State to pay the employer share of contributions on the difference between the legislative salary and the teaching salary of those who elect the option.
