	OTP-AM	H-916

LD 2059 was a recommendation of the Joint Study Committee to Study Growth Management. It proposed to clarify that site selection criteria for state facilities may require on-site parking only if it is necessary to meet critical program needs and to ensure reasonable access for agency clients and persons with disabilities. It also clarified that employee parking that is within reasonable walking distance may be located off site.

Committee Amendment "A" (H-916) proposed to require the Department of Administrative and Financial Services to consult with the authorized bargaining agent of the employees if there is a change in employee parking at a state facility from on-site parking to off-site parking. The amendment also added a fiscal note to the bill.
