Second Regular Session

Summary Of Legislation Before The Joint Standing Committees
May 2002

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

law subjects the person to a civil forfeiture of between \$50 and \$100 for each day of noncompliance. The law also requires the Department of Labor to convene an interagency working group, including the Workers' Compensation Board, to review efforts to enforce the workers' compensation coverage requirement in the forest products harvesting industry, to develop accident-reduction systems in that industry, to consider ways to enhance data collection to assist in reducing accidents and to consider how enforcement and accident prevention can be of benefit in other industries and work places. The law requires the Department to submit its findings and recommendations to the joint standing committee of the Legislature having jurisdiction over labor matters and the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters by January 15, 2003. The committees are authorized to report out legislation in response to the report.

LD 2098

An Act to Protect Workers from Unilateral Imposition of Random or Arbitrary Drug Testing

PUBLIC 706

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DUNLAP CATHCART	OTP-AM MAJ ONTP MIN	H-887 S-537 EDMONDS

LD 2098 proposed to eliminate the provision in current law that allows random drug testing without cause to be a part of a labor agreement.

Committee Amendment "A" (H-887) proposed to replace the bill. It proposed to allow for random or arbitrary drug testing to be imposed through the collective bargaining process. However, it proposed to clarify that such a program can not be imposed by unilateral imposition of the employer's last best offer, for example, when bargaining reaches an impasse.

Senate Amendment "A" to Committee Amendment "A" (S-537) proposed to strike the emergency preamble and clause.

Enacted law summary

Public Law 2001, chapter 706 amends the law governing random substance abuse testing in the workplace. Chapter 706 provides that an employer that chooses to implement a random testing program through collective bargaining may not implement such a program through implementation of the employer's last best offer when bargaining reaches an impasse.
