**Summary Of Legislation Before The Joint Standing Committees**  
**May 2002**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Utilities and Energy

The current trustees of the Corinna Water District were appointed by the municipal officers of the Town of Corinna. In the change to the district's charter accomplished by Private and Special Law 2001, chapter 13, this was prospectively changed and the trustees' successors were to be elected. Under the bill, the trustees would again be appointed by the municipal officers of the Town of Corinna.

**Committee Amendment "A" (S-474)** proposed to provide that the new trustees of the Corinna Water District are to be appointed within 3 months of the effective date of the legislation. This amendment also proposed retroactively to extend the terms of existing trustees until their successors are appointed and retroactively to remove the requirement created by Private and Special Law 2001, chapter 13 that the trustees be residents of the district.

### *Enacted law summary*

Private and Special Law 2001, chapter 65 amends the charter of the Corinna Water District to provide that its trustees are to be appointed by the municipal officers of the Town of Corinna. This law provides that the new trustees of the Corinna Water District are to be appointed within 3 months of the effective date of the legislation. The law retroactively extends the terms of existing trustees until their successors are appointed and retroactively removes the requirement created by Private and Special Law 2001, chapter 13 that the trustees be residents of the district.

Private and Special Law 2001, chapter 65 was enacted as an emergency measure effective April 2, 2002.

Committee Report  
OTP-AM

Amendments Adopted  
H-1006

LD 2171 proposed to terminate the State's participation in an interstate compact with the states of Texas and Vermont for the disposal of low-level radioactive waste generated in the 3 states at a facility to be licensed and built in the State of Texas. There is a strong likelihood that the decommissioning of the Maine Yankee Atomic Power Company nuclear power plant will be completed prior to the opening of any disposal facility in Texas; remaining low-level waste generators in this State produce a small volume of waste that currently is accepted for disposal at facilities in South Carolina and Utah. Under the compact, the customers paying for Maine Yankee's decommissioning could eventually be exposed to a \$25,000,000 payment obligation for compact membership.

**Committee Amendment "A" (H-1006)** proposed to clarify certain language in the bill and repeal Public Law 1993, chapter 400, section 4 that enacted the text of the Texas Low-Level Radioactive Waste Disposal Compact.

### *Enacted law summary*

Public Law 2001, chapter 629 terminates the State's participation in an interstate compact with the states of Texas and Vermont for the disposal in Texas of low-level radioactive waste generated in the 3 states.

Public Law 2001, chapter 629 was enacted as an emergency measure effective April 5, 2002.
