Amendments Adopted

LD 2215 proposed to address the cash flow and funding needs of State Government for the fiscal years ending June 30, 2002 and June 30, 2003. This bill proposed to strike the limit on the tax anticipation note authority currently established at \$100,000,000. In the absence of this statutory restriction, the limitation of the Constitution of Maine, Article IX, Section 14 restricts this borrowing authority to the lesser of 10% of all the money appropriated, authorized and allocated by the Legislature from undedicated revenues to the General Fund and dedicated revenues to the Highway fund for that fiscal year, exclusive of proceeds or expenditures from the sale of bonds, and 1% of the total valuation of the State. In fiscal year 2000-01, that limit would have been \$293,843,735 based on final General Fund appropriations and Highway Fund allocations for that fiscal year.
