#### Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

submitted to the Legislature by February 1, 2004. Chapter 422 specifies that the rule include appropriate exemptions for harvests covering small acreages, permitted land conversions and for land managed under an independent 3-rd party certification for sustainable forest management. It also requires the Commissioner of Conservation to solicit input from interested parties in developing recommendations for additional solutions to the issue of liquidation harvesting. It requires the Department of Conservation to provide a final report no later than January 2, 2004 to the Joint Standing Committee on Agriculture, Conservation and Forestry and authorizes the committee to report out a bill to the Second Regular Session of the 121st Legislature to implement the recommendations in the report.
