121st Maine Legislature First Regular Session

Summary Of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing and joint select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 201

Resolve, To Amend the Laws Governing the Health Care Workforce Leadership council

RESOLVE 11

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PERRY A MARTIN	OTP-AM	H-163

LD 201 proposes to establish the Health Care Workforce Center to provide an ongoing strategy for the allocation of the State's resources to the health care workforce in this State. The center would develop a strategic plan, convene groups of interested parties to recommend systemic changes and enhance and promote recruitment, recognition and retention of the health care workforce. The center would be directed by an 8-member board.

Committee Amendment "A" (H-163) proposed to amend Resolve 2001, chapter 89, which established the Health Care Workforce Leadership Council. Because members of the council were appointed late, the council was unable to meet the deadline for their interim report. This amendment proposed to set a date for the interim report in November 2003, retain the final report deadline of November 3, 2004 and require that the interim and final reports also address the potential role of and need for a permanent health care workforce council or center.
